

**The Windflower
Resorts & Spa - Mysore**
where heritage comes alive...

nature, glazed with indulgence

Rewind to a land where the body and soul are still honoured, where inspired art and architecture echo vibrations of a time that stands still and proud. Mysore is home to kings and warriors, giraffes from the savannah, and Ashtanga yoga gurus. Named after the demon Mahishasura, Mysore was the seat of Wodeyar and Vijayanagara dynasties. India's second greenest city has resurged as one of the world's capitals of alternative living, healing and being.

Relish a deeply indulgent experience reminiscent of a royal lifestyle... welcome to The Windflower Resorts & Spa, Mysore! A vast, meticulously landscaped retreat nestling in the valley of the Chamundi hills, The Windflower Mysore shares close proximity with the city's myriad attractions, from the palace to the zoo and to the vibrant local markets.
