

**The Windflower
Resorts & Spa - Vythiri**
discover your soul...

discover nature and a new you

Don't we often fantasize about retreating to the pristine hills by the side of a rainforest? With The Windflower Vythiri, this fantasy comes alive in all its glory. Set at the edge of a 3,000-acre tea estate along side the Chembra Peak – one of the highest peaks in South India – The Windflower Vythiri is steeped in the rustic charm of an old hill station. Credited with the second-highest level of rainfall in India, the area truly captures the moods and mysteries of the monsoon.

The mystic quality of mountains has inspired many an author and artist at Vythiri, a hill station in Wyanad, Kerala. Catch awe inspiring mountain views in this land of plantations where tea, coffee, rubber, pepper and cardamom gently coexist with the rich diversity of tranquil sub tropical forests. Undulating paths lead you breath-taking altitudes. Where, finally, from the top, you can look down and marvel at nature's prowess as a landscape painter. With a cool climate and lush greenery year round, Vythiri affords the weary traveler blissful advantage of being only 3 hours from Mysore in distance and leaving city life - far, far behind in spirit.

Just give in to your senses: treat yourself to the first gentle rays of the sun: stroll in the tea plantations: trek up to breathtaking views and taste of the local cuisine. Surrender to our expert masseurs and indulge in rejuvenating spa treatments. Soak in the pool while the majestic silver oaks watch you in silence. Explore the picture-perfect beauty of the upper reaches of an unspoilt Wayanad, dotted with tea, coffee, rubber, pepper and cardamom plantations.
